TO WHOM IT MAY CONCERN

This letter confirms Murali Sai Valiboyina's valuable volunteer service at our elder orphanage between June 3rd and June 30th, 2024. Murali demonstrated exceptional dedication by providing technology education to the residents, empowering them with modern tools to stay connected and engaged. His assistance with daily tasks ensured the smooth running of the orphanage, contributing to a more harmonious living environment.

Murali further enriched the lives of the residents by organizing and participating in recreational activities such as games, gardening, and storytelling sessions. These activities fostered a strong sense of community and brought joy to the residents. His compassionate spirit and willingness to offer companionship significantly improved their quality of life.

We at Dr. Haseena Begum are deeply grateful for Murali Sai Valiboyina's commitment to making a positive difference. His contributions have had a lasting impact on the lives of our elderly residents.

Sincerely,

K & K OLD AGE HOME
